Findings

The school is a signatory to the *Education (Pastoral Care of Tertiary and International Learners) Code of Practice 2021* established under section 534 of the Education and Training Act 2020. The school has attested that it complies with all aspects of the Code and has completed an annual self review of its implementation of the Code.

At the time of this review, there were four international students and no exchange students attending the school.

The school's internal evaluation is an example of good practice. Highly effective systems and processes are in place to support the international programme and are regularly reviewed. The international director effectively co-ordinates pastoral and academic support for international students that meets their needs. The board is well informed about international students' well-being and achievement.
